

The Friends of Emsworth

Community Health Fair

5 May 2017 • 11am-2pm • Emsworth Baptist Church

The health organisations and services in Emsworth are coming together for the first time to inform you on the range of health services available on your doorstep.

With healthcare professionals representing over 50 organisations, the fair has it covered.

Come along to talk to people who can give you advice on where to get help and to find out more.
