A Celebration of the Queen's Platinum Jubilee

2nd – 19th or 26th June 2022

The centre piece of this display is a beautifully crafted model of the gold Coronation coach in which the Queen travelled to and from the abbey.

Pictured left is a 1/16th scale model of the Coronation coach. It was made by the late Don Shearman in 1953 and the intricate modelling took him about 600 hours.
