

The EBA represents more than 100 small business and service providers in Emsworth and district. We are 11 years old this year and continue to promote the town as an excellent place to live, work and play.

Havant Borough's retail offer is changing, thus creating new challenges to our local shops and services as well as new opportunities to create real choice. The results of this survey will assist us in planning ahead and ensure that Emsworth town centre remains a special place as it is today.

Many thanks for helping us. *You can also complete the survey on line at www.emsworth.org.uk*
