

Better Care Starts with You!

Do you or someone you know need care and not sure where to start?

Havant Homecare Ltd provides care and support to people in their own homes across Havant and the surrounding areas. We pride ourselves on being that little bit different with our every focus being on our customer.

We provide;

- Personal care to assist with every day hygiene needs
- Support with medication, food and drinks
- Assistance with domestic chores
- Assistance with laundry and ironing
- Respite to provide breaks for family members
- Escort services to and from appointments
- Shopping and running those little errands that can be difficult

We give each and every one of our customers and our staff a voice

If you or anyone you know would simply like to know more, have questions or are not sure where to turn for support you are welcome to call us. We will support you in identifying the options available to you without any obligation.

Our focus is on;

- Continuity of care
- Listening to our customers and staff
- Taking feedback seriously
- Providing a service that is customer led
