Public Exhibition for the allocation of 260 new homes and public open space North of Long Cope Lane, Emsworth

23rd May 2018
at the Emsworth Community Centre
between 17:30 and 20:00

Land and Partners are in the process of preparing a planning application for the development of land to the North of Long Cope Lane, Emsworth, that is allocated in the draft local plan. The proposals will provide up to 260 homes and public open space, in accordance with Policy H6 of the Draft Havant Borough Local Plan 2036.

We promote the delivery of high quality homes within carefully created landscape designs. We are always keen to engage with the community about how we can ensure that the best proposals are developed for the site and so we welcome constructive comments and suggestions.

Following our public consultation held on 21st March and following the Development Control Forum which will be held on 17th April we will be developing our proposals and will hold a further public exhibition on Wednesday 23rd May 2018 between 17:30 and 20:00hrs.

We are keen to work with the community to make this the best scheme possible. Please join us to view and give feedback on the proposals.
