The Great British Seafood Dinner

Thursday 5th October - 7.15 for 7.45pm

Emsworth's Lobster Pot Christmas tree has become a much-loved local (not to mention national) attraction. Supporting the local fishing industry and adding a unique feel to Emsworth's Christmas celebrations, it has been a huge success sitting proudly on the Quay during December.

In recognition of this and as a celebration of British Food Fortnight, Restaurant 36 on the Quay is delighted to present the Great British Seafood Dinner. Starting with a glass of award winning Hambledon Classic Cuvée NV, followed by a special 4-course gourmet dinner focusing on British Seafood, which has been devised by Chef Gary Pearce and his team. A wine specially selected by local wine raconteur Alistair Gibson will accompany each course. This is sure to be one of the Lob-Star events of Emsworth British Food Fortnight
