

March 2017 Events and workshops at Tuppenny Barn

Monday 6 March | 3.45pm / 1 hour

Tuppenny Explorers Club: Leaves, Lovely Leaves

A nature-themed after-school club for 4-11 year olds. This week we will be creative using leaves and flowers to make prints on fabric. £5 per child. Please book in advance and bring wellies and coats.

Saturday 11 March | 2pm / 2.5 hours

Circle Dance with Claire Wilton

Circle dancing is a very easy to follow dance style where all steps are taught as you go. We will be dancing to beautiful music from around the world. Suitable for all, no partner required. The event is organised and led by local dance teacher Claire Wilton with all proceeds going towards the Tuppenny Barn Education Centre.

Tkts: £8 includes a drink and homemade cake.

Sunday 12 March | 7.30pm

Music@theBarn presents Phil Beer

Phil is one of the most popular ambassadors for acoustic roots music. A dazzling instrumentalist, he is a top class fiddler and plays in the all-star line-up, Feast of Fiddles. Best known for partnership with Steve Knightley in Show of Hands. But his skills don't stop there, he also plays slide, Spanish and tenor guitar, mandocello, viola, mandolin and South American cuatro, not to mention contributing rich vocals.

Tickets: £16 pp. Doors open 7.30pm. Licensed bar.

Friday 17 March | 10am / 1.5 hrs

Tuppenny Tots: Easter Decorations; bunnies and Easter eggs!

These sessions are especially for pre-school children and their parents, to have fun with nature-themed craft and play activities. £5 per child, includes a drink and a cake per child. Homeopath Diana Tibble will also be present to offer homeopathic advice and answer questions relating to young children. Pop-up café. Please book online in advance so that we can cater for materials and refreshments and bring wellies and coats.

Saturday 18 March | 10am / 4 hrs

Making the Most of Your Camera

If you're confused by the many buttons, menus and settings on your digital camera then this workshop is for you! With expert tuition from professional photographer and lecturer Duncan Shepherd you'll be introduced to the principle functions of your camera including focusing, framing, resolution, exposure modes, ISO, shutter speed and aperture. At each stage your learning will be consolidated through guided practical experimentation to help you unleash your true photographic potential.

Tkts: £39, includes a welcome refreshment. Please bring your own lunch.

Wednesday 22nd March / 10.30am / 4 hours

Creative Writing: Water

During a series of writing workshop with Lizzie Chittleboro we will use the natural world as inspiration for our writing, and will explore the elements one by one. This month's theme is water. The workshop is suitable for all abilities; no previous writing experience is necessary. Bring your own lunch, drinks and refreshments provided.

£20 pp. All places must be booked in advance.

Saturday 25 March | 10am / 3 hrs

Understanding Compost Workshop

Making the most of your garden and kitchen waste

If you've never composted before or are looking to improve your current composting, come along to this workshop and learn how to make the most of your kitchen and garden waste.

£30pp, includes handouts and homemade refreshments.
