

HAMPSHIRE ALERT

Lets you know
what's happening
in your community

We need you to sign up to our new Neighbourhood Alert system by visiting:

www.hampshirealert.co.uk

www.hampshirealert.co.uk is a free web based system which you can sign up to and choose what information you want to receive and in what format – email, text or phone message – so the 'alert' is personal to you.

The alert system is straightforward and you can still receive all the relevant information you require, plus additional information on topics of interest which has previously been unavailable to you.

By using Hampshire Alert you will be one step ahead. You will be notified of relevant information/warning/crime much more quickly, and you won't miss out on important updates on incidents occurring in your locality.

Hampshire Alert is nothing like Facebook, Twitter or any other social media site. All the information is kept secure and private; you do not need to set up a social page or add pictures.

Once registered, you only need to log into the system to update your details or preferences. Alerts will be sent to your chosen email or phone number.
